

Genesis S. Clark

Aspiring Front-end Developer

📍 Cagayan de Oro City, Philippines 📞 09127237881

✉️ genesisclark79o@gmail.com

🎯 Objective

Aspiring front-end developer with a passion for creating clean and responsive web applications. Open to handling some back-end tasks and interested in learning more about full-stack development. Looking to contribute creativity, basic technical skills, and a willingness to grow in a collaborative tech environment.

Projects

Premio Registration System

PHP • Laravel • MySQL • Bootstrap

Online registration system for Premio Motorcycles & Parts Corporation. Features user-friendly dashboard for managing motorcycle applications and real-time status tracking. Streamlined the registration process and improved customer experience through intuitive interface design.

Personal Portfolio Website

React • Tailwind CSS • Vite

Developed a responsive portfolio website to showcase skills, projects, and resume. Implemented modern design principles with smooth animations and optimized performance. Features project galleries, skill demonstrations, and contact functionality.
